

SLIM LED INSPECTION LAMP

Created with the professional in mind, the slim LED inspection lamp combines a robust design with a high light output.

The slim design and additional torch function allows inaccessible spaces to be illuminated. The light output of the main lamp can be controlled using the dimmer switch, allowing a range of 100 to 1,000 lumens.

IP65 and IK07 rated, the lamp will withstand the rigours of a busy workshop.

- **Rechargeable and cordless**
1000 lumens professional inspection lamp
- **Dimmer switch**
Allows light output to be regulated
- **180° ratcheting function**
With strong magnets to allow hands-free use
- **Robust design**
IP65 and IK07 rated
- **Dual function output/charging indicator**
