

INSTALLATION INSTRUCTIONS

Part Number HA-1088

This filter fits: SEE CATALOG FOR CURRENT APPLICATIONS

Congratulations, you have purchased the finest air filter that money can buy. With proper care, this filter can last many seasons. This filter can be used in a stock machine, with no modifications required. If any engine modifications have been made tuning/jetting adjustments may be required. There are special installation instructions, so please follow the procedures outlined below to ensure the K&N Filtercharger® seals properly.

INSTALLATION

1. Remove the stock air filter.
2. Apply the provided K&N Sealing Grease or equivalent to the outside of the flange. (Fig. 1)
3. Install the K&N Filtercharger® flange side first.
4. Reinstall the spring that holds in the air filter.
5. Reinstall the air box lid.

Available to purchase separately

Precharger Wrap; part number 22-8008PK

THESE INSTRUCTIONS MUST BE FOLLOWED EVERY TIME THE FILTER IS SERVICED, OTHERWISE THE FILTER MAY NOT SEAL, AND DAMAGE TO THE ENGINE COULD RESULT.
